**As of 5-18**

Correction / updates E-Mail ( [blackwoodstats@comcast.net](mailto:blackwoodstats@comcast.net) ) Phone 559 875 3011;

I need results from all meets or I can't count the marks. **We also need legal wind readings**

**on these events : 100,200,HH, LJ,TJ. No marks will count if we don't have wind readings!!!**

**(Note!! in 2013 to qualify for Area Meets & Seq Sie Championship You can enter wind readings from 0.0 – 4.0) (Nwi= no wind gauge present: Those marks can't count toward qualifying meets:)**

**I know that it is easier to put info on athletic.net. But I don't have the time to go to every school and individuals to get wind readings. I need results of all Major**

**Meets please e-mailed to me. Thank you. Ron Blackwood section t&f historian**

**Central Section top marks & history can be found on ([sangertrackandfield.com](http://sangertrackandfield.com))**

KEY: +++ frosh class; ++ soph class; + jr class. AT = all time list. SR = school record:

W = wind readings that exceeds 2.1

nwi = no wind gauge present

Seq = sequoia- Sie =sierra divisions. The rest are from the various Yosemite divisions.

**Na, Ca, Sa & SS** place at their area meets.

**mm 1-8** (placed in the top 8; 2013 master's meet)
